

May we introduce ourselves?

We are a small, family-run nursing home in Bad Radkersburg, in the southeast of Styria, Austria. The border to Slovenia (2 km) and Hungary is very close. The historical center of Bad Rad Radkersburg is within walking distance (approx. 20 minutes by foot).

What do we offer?

- Care and support around the clock, for every age group and all care levels
- Medical care by your doctor and our trained staff
- Short-term care according to availability
- A family-run house (max. 35 residents) with a well-tended park-like garden with a biotope
- Animation and events offered
- Varied home-style cooking, dietary cuisine possible, "coffee and cake" in the afternoon, drinks are included

Our rooms:

- We have single or double rooms (7 single rooms and 14 double rooms) with modern care beds, shower/toilet, telephone and satellite TV connection, emergency call connection to the base
- The rooms are fully furnished, but you can also design them yourself, your own furniture is welcome! Our house is barrier-free

If you have any further questions about our nursing home, we look forward to your call on 0043 34 76/ 41 031 or an email at office@seniorenheimelisabeth.com. Information talks and consultations can take place in English, Slovenian and Hungarian!
